The **Holiday Inn Middletown** offers guests beautiful scenery and convenient access to businesses, the airport and entertainment.

No matter what brings corporate travelers to the Hudson River Valley, the hotel's amenities can keep them productive while on the road thanks to free high-speed, wireless and wired Internet access and a 24-hour Business Center featuring free local fax, copy, scan, and print services. Plus, with meeting space that can accommodate anywhere from 10 to 300 people and on-site event specialists to assist with catering and details, holding an event has never been easier. Leisure guests have plenty of options for entertainment. Whether it's shopping, hiking or enjoying the magnificent wineries in the area, there is never a shortage of attractions or beautiful scenery. In fact, the Catskill Mountains are only two miles away.

Guests enjoy this Hudson River Valley hotel's many amenities that include a scenic outdoor pool with eating area and gazebo, a heated, indoor pool, Fitness Center with weight machine. If convenience, value and quality amenities are important to you then there is no better place to reserve a room than the Holiday Inn Middletown.
